

# STUDIO LIGHTING & PORTRAIT WORKSHOPS

IAN DAISLEY EVENING SESSIONS  
RICHARD CORFIELD 2018

## Develop your skill and broaden your experience

Instructive evenings for members of camera clubs & societies.  
Learn how to use lighting in the studio to create great portraits.  
Use this knowledge when you are working with natural light.

- Understand the operation of studio strobes.
- Learn how to use a flash meter for accurate exposure.
- Work with our fantastic male model, Richard Corfield, for rich & expressive portraits.
- Expert help & advice.
- Composition and posing methods.
- Post processing methods.
- Understand how to interact with your subject.

## Level 1

- Learn how studio strobe lights operate and how to shape & meter the light.
- Work with one light & reflector to cover a variety styles. This will help you understand just how flexible a single light source can be.

## Level 2

- Attendees must have attended the Level 1 evening (so you are familiar with our studio environment & equipment).
- Advanced lighting set-ups.
- Capture Richard's creative & extensive tattoo details.
- Incorporate your own ideas.
